

Iberostar Beachfront Resorts, in its constant pursuit of client satisfaction and with the main goal of offering a revamped high-quality service to our mutual clients, has recently finished a complete renovation of Iberostar Selection Hacienda Dominicus in Bayahibe, Dominican Republic. There was a complete renovation of its 528 rooms with high-tech installations and refurbishment of bathrooms and furniture. Also, we highlight the renovation of one of the pools to include a new Bubble Pool and the Lobby Bar. Another important space completely renovated is the Star Camp, dedicated to the entertainment of children and teenagers with multicultural and educational programs. The Los Arcos Theater also now incorporates projection technology for the new shows.
